14:00-14:05 - Welcoming speech
Representative of the Embassy of The Kingdom of the Netherlands in Poland

14:05-14:35 - Klaas Hielke Dijkgraaf, LTO Noord (Dutch Chamber of Commerce)
Practical rules for saving energy and renewable energy use in agricultural production.

14:35-15:05 - Hubert Herbuś, Blue Fifty
Hubert Herbuś will talk about obtaining energy on the farm using a combination of windmills and photovoltaic panels. Combining two different energy sources helps to generate more power and a more stable power source.

15:05-15:35 - Barbara Matros and Julia Stekla, The National Research Institute of Animal Production
The National Research Institute of Animal Production - the first biogas plant in Poland relying entirely on agricultural waste, which is used not only to produce biogas as an energy source, but also, after processing, as an excellent fertilizer for crops grown on farms.

15:35-16:00 – Q&A Session
